AECOM Technical Services, Inc.

Recertified on 12/13/2017 by

Mr. Wojciech Kowalczyk

Contracts Director

AECOM Technical Services, Inc.

This is a printed copy of the Economic Disclosure Statement, the original of which is filed electronically with the City of Chicago. Any alterations must be made electronically, alterations on this printed copy are void and of no effect.

**Question:** The Disclosing Party and, if the Disclosing Party is a legal entity, all of those persons or entities identified in Section II(B)(1) of this EDS:

d. have not, during the 5 years before the date of this EDS, had one or more public transactions (federal, state or local) terminated for cause or default;

**Response:**

AECOM Technical Services, Inc. ("AECOM") is a large design, engineering, planning and related professional services company that executes thousands of projects annually. As with any large services company, from time to time, AECOM is involved in disputes, in rare instances related to contract termination. However, we strive to avoid litigation and have a risk management program in place that includes early recognition of situations that might give rise to a claim, open lines of communication and proactive dispute resolution. While none of our current claims could reasonably be expected to have a material adverse effect on AECOM or its ability to perform under the contract contemplated by the proposal, for the sake of full disclosure, we wanted to inform the City of a pending dispute on a public project. It was initiated by the termination for default notice, received in November 2012 from our client, City of Sarasota, Florida, regarding a project in which AECOM Technical Services, Inc. designed a sewer lift station which the client alleges to be deficient. AECOM disagrees with the termination and is currently litigating to defend its position.
