Re: Specification No. 82260, RFQ No. 3351, Waste Hauling, Recycling, Disposal Services and Rental of Related Equipment

Dear Ms. Klein:

I am sending this letter to you at the request of Waste Management Inc. ("WM"). Capital Research and Management Company ("CRMC") is an investment adviser registered with the Securities and Exchange Commission under the Investment Advisers Act of 1940. CRMC is investment adviser to the American Funds family of mutual funds and other institutional clients that own shares of common stock of WM. Since CRMC, acting through its independent investment divisions called Capital World Investors and Capital Research Global Investors, has investment discretion for the portfolios of the funds, it is required to report ownership of those shares on Schedule 13G. Attached is the most recent Schedule 13G filed by Capital World Investors for WM as of December 31, 2009. As permitted by the SEC rules, Capital World Investors disclaims beneficial ownership of the shares reported because it does not have an economic interest in the shares. (Please refer to item 9 on page 2 of the Schedule 13G). Importantly, please be advised that no single fund or client of CRMC owns 7.5% or more of the shares of WM.

For further information regarding CRMC, I am enclosing a copy of its current Form ADV.

If you have any questions regarding this letter, please contact me at (213) 486-9318.

Re: Schedule 13G as of December 31, 2009

Dear Sir or Madam:

Enclosed is a copy of a Schedule 13G filed by Capital World Investors, a division of Capital Research and Management Company ("CRMC") pursuant to Rule 13d-1(b) under the Securities and Exchange Act of 1934.

Capital World Investors is deemed to be the beneficial owner of securities as a result of CRMC acting as investment adviser to various investment companies registered under Section 8 of the Investment Company Act of 1940. CRMC manages equity assets for various investment companies through two divisions, Capital Research Global Investors and Capital World Investors. These divisions generally function separately from each other with respect to investment research activities and they make investment decisions and proxy voting decisions for the investment companies on a separate basis.

As the enclosed Schedule 13G indicates, Capital World Investors does not own any shares of your company for its own account. Rather, the shares reported in the Schedule are owned by accounts under the discretionary investment management of Capital World Investors. For purposes of disclosing Capital World Investors' ownership of securities in your proxy statements, you should list the owner as Capital World Investors.

Consistent with the requirements for use of Schedule 13G, the shares are held solely for investment purposes in the ordinary course of business and not with the purpose or effect of changing or influencing control.

Please call Gina Martinez at (213) 615-0469 if you have any questions or would like any additional information.

Sincerely,

Donald H. Rolfe
