B. FURTHER CERTIFICATIONS

1. Pursuant to [Municipal Code Chapter 1-23](#), Article I ("Article I")(which the Applicant should consult for defined terms (e.g., "doing business") and legal requirements), if the Disclosing Party submitting this EDS is the Applicant and is doing business with the City, then the Disclosing Party certifies as follows:

- i. neither the Applicant nor any controlling person is currently indicted or charged with, or has admitted guilt of, or has ever been convicted of, or placed under supervision for, any criminal offense involving actual, attempted, or conspiracy to commit bribery, theft, fraud, forgery, perjury, dishonesty or deceit against an officer or employee of the City or any sister agency; and
- ii. the Applicant understands and acknowledges that compliance with Article I is a continuing requirement for doing business with the City.

NOTE: If Article I applies to the Applicant, the permanent compliance timeframe in Article I supersedes some five-year compliance timeframes in certifications 2 and 3 below.

I am unable to certify the above to be true

Explain :

In the option for manual application, Section V.B.1.a-e, which correlates to this particular subpart 1 and subparts 2-6 below on this online version, AT&T responded as follows: "With respect to the persons identified in Section II.B.2 of this EDS, AT&T Corp. makes these

As a result, AT&T Corp. is, and has been, a party in numerous civil actions and proceedings. I am unable to certify the above to be true

Explain :

Mr. Dominic Savone
Sales Manager
AT&T Inc.

This is a printed copy of the Economic Disclosure Statement, the original of which is filed electronically with the City of Chicago. Any alterations must be made electronically, alterations on this printed copy are void and of no effect.

AT&T Inc. Supplemental Response to Section V.B.2

With respect to the persons identified in Section II.B.1. of this EDS, AT&T Inc. makes these certifications on information and belief. Specifically, the officers and employees of the AT&T companies are required to complete a code of business conduct certification annually. In addition, the directors and officers of AT&T Inc. complete an annual questionnaire which is based on SEC disclosure requirements.

AT&T Inc. is a publicly traded telecommunications holding company chartered under the laws of the State of Delaware. AT&T Inc. is not the Applicant but holds a direct interest in the Applicant and is submitting this EDS because the City of Chicago requires an EDS from parents of the Applicant.

AT&T Inc. does not itself provide products or services and has no employees. AT&T Inc. is, however, the parent company of numerous companies, including the Applicant, operating within and outside the United States. These subsidiary operating companies are organized as separate legal entities and authorized to do business in specific states and nations in accordance with applicable laws and regulations. The subsidiary operating companies are thus subject to numerous local, state and federal rules and regulations, and those of numerous foreign jurisdictions as well, depending on the lines of business and geographic locations in which they operate.

By virtue of its status as the largest telecommunications holding company in the United States and one of the largest in the world, as well as parent company to approximately 500 subsidiaries, AT&T Inc. has been and continues to be made a party to numerous legal proceedings. For the majority of the cases AT&T Inc. is dismissed from such proceedings. This response is limited to legal proceedings to which AT&T Inc. itself is or has been a party and is the principal actor as compared to other AT&T companies.

With the exception of routine administrative matters, within the five-year period preceding the date of this EDS, to the best of its knowledge, after reasonably diligent research, AT&T Inc. has not been convicted, adjudged guilty or found liable in any criminal action or civil action instituted by: a) the City of Chicago; b) the federal government; c) the State of Illinois or any other state; or d) any other unit of local government. In this response, AT&T Inc. is construing the term "criminal or civil action" as referring only to an actual suit filed in a court of competent jurisdiction within the United States.

AT&T Inc. is not aware of any other material matter that might be classified as "civil proceedings" for the purposes of this EDS.
