AECOM wishes to note that it employs Mr. James Adams, a structural engineer. Mr. Adams is not an officer or manager within our company. Mr. Adams is married to Mrs. Tanera Green who works for CDOT as a Project Coordinator. Based on criteria set forth in the Chicago Municipal Code, Section 2-154-015, neither James Adams nor Tanera Green appear to meet the criteria of a Familial Relationship requiring disclosure. Supplemental Information
EDS Section V, sub-section B.2 – “Further Certifications”

August 20, 2014

QUESTION:

2. The Disclosing Party and, if the Disclosing Party is a legal entity, all of those persons or entities identified in Section II.B.1. of this EDS:

- a. are not presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from any transactions by any federal, state or local unit of government;
- b. have not, within a five-year period preceding the date of this EDS, been convicted of a criminal offense, adjudged guilty, or had a civil judgment rendered against them in connection with: obtaining, attempting to obtain, or performing a public (federal, state or local) transaction or contract under a public transaction; a violation of federal or state antitrust statutes; fraud; embezzlement; theft; forgery; bribery; falsification or destruction of records; making false statements; or receiving stolen property;
- c. are not presently indicted for, or criminally or civilly charged by, a governmental entity (federal, state or local) with committing any of the offenses set forth in clause B.2.b. of this Section V;
- d. have not, within a five-year period preceding the date of this EDS, had one or more public transactions (federal, state or local) terminated for cause or default; and
- e. have not, within a five-year period preceding the date of this EDS, been convicted, adjudged guilty, or found liable in a civil proceeding, or in any criminal or civil action, including actions concerning environmental violations, instituted by the City or by the federal government, any state, or any other unit of local government.

ANSWER:

I am able to certify that items (a), (b), (c) and (e) in Article 2 of Section B - Further Certifications, are true. With regards to item (d), pertinent to termination for default of public transactions, AECOM Technical Services, Inc. (ATS) would like to present the following information:

(1) In November of 2012, ATS received a notice from the City of Sarasota, Florida, notifying ATS that it has terminated its contract with ATS for the design of a sewer lift station for default. ATS disagrees with the termination and is contesting it;

(2) In August 2013 and December 2013, ATS entered into contracts with the City of West Hollywood, California (City) to update the Sunset Specific Plan relative to billboards and tall walls. Thereafter, in February 2014, a company outside the control of ATS but in which ATS's ultimate parent AECOM Technology Corporation holds an interest (AECOM Sunset Olive, LLC) purchased a 50% interest in a project known as Sunset Time, which is located in the Sunset Specific plan area. ATS has provided the

City with information showing that although the two entities (ATS and AECOM Sunset Olive, LLC) have partial overlapping ownership, their management structures and reporting relationships are wholly separate. Nonetheless, on June 19, 2014, ATS received notice from the City that it was terminating the contracts for cause, but would be willing to agree to a mutual termination if ATS would take certain actions, including re-paying all compensation that ATS received for the work that it performed under the contract, or in the alternative, the City would rescind the notice of termination of ATS's contracts if AECOM Sunset Olive, LCC divests its interest in the Sunset Time project. ATS disagrees with the City's assessment, but plans to negotiate with the client to reach agreement on a mutual termination.
