Dear Sean,

This letter is to retain your services on behalf of Hewlett Packard Enterprise Company (HPE) to provide government relations support for HPE's economic development and public policy priorities in the State of Illinois.

Enclosed for your information is a copy of HPE's "Memorandum to Outside Consultants" which outlines our policies regarding outside lobbyists and its Acknowledgment Page. Please review these policies, sign and date the Acknowledgment Page, and return the original to me.

As agreed, HPE will pay a retainer fee for your services related to government relations and public policy issues in Illinois at a rate of \$10,000 per month commencing July 1, 2021. Any reasonable out-of-pocket expenses will be covered but no major expense may be incurred without prior approval. In performing services for HPE, you will at all times comply with all applicable laws, rules, regulations, express public policies, including all applicable filing and/or reporting obligations. Under no circumstances will HPE be responsible for any sanctions or penalties against persons engaged by HPE for services. Either party may terminate this engagement on thirty (30) days notice. All invoicing will be handled by MultiState Associates, Inc. MultiState will be contacting you with instructions on how to set up the billing process.

We appreciate your willingness to assist us and we look forward to working with you. Should you have any questions or concerns regarding the invoice submission process, please contact Spencer Jewell at spencer.jewell@hpe.com.
